The user must submit to reasonable audits by us to confirm that it is, in fact, obtaining such consents. All users must certify that they have a permissible purpose to request a report such as credit, insurance, and renting an apartment. Our customers agree to keep your information confidential and secure.

Of course, if information is sought from outside of the United States, the information is gathered in that country and then transmitted to us here in the United States where it is treated as any other consumer information.

Any information gathered on any consumer may only be provided to the user authorized by the consumer or permitted by the FCRA or similar state law to receive the information. We cannot and do not share, sell or distribute consumer information with or to any third party other than the requesting party thereof. Any consumer, upon proper identification, has the right under the FCRA to request us to

furnish to the consumer all information we may have on that consumer. The consumer has the right to dispute the accuracy or completeness of any information contained in the consumer's file.

However, we may be required, upon receipt of a court order to release the information in civil litigation, or as otherwise required by law, to disclose information regarding a consumer to law enforcement agencies.
